Picked at 105° Oechsle in the lower part of the cru and with 5% to 10% botrytis grapes, the 2022 Erdener Prälat Riesling Auslese Alte Reben offers a very clear, intense and slightly iodine-inflected nose with flinty notes of crushed lemons and gray-red slate. On the palate, this is a lush and generous, crystalline and savory, saline and mouth-watering Prälat with intense fruit and nice phenolic grip on the finish. It's pretty light for a Prälat. Only 650 liters produced. There are 50 liters of a Prälat Beerenauslese as well. 7.5% stated alcohol. Natural cork. Tasted at the domaine in May 2023.

Erdener Treppchen  
Riesling Auslese

---

The 1,000 liters of the 2022 Erdener Treppchen Riesling Auslese is everything from the six hectares Christian Hermann cultivates in this 36-hectare-cru (plus 650 liters for the gold-capsuled Auslese). Picked at 93° Oechsle and with about 10% of overripe or botrytized grapes, the wine opens with a very clear and intense as well as elegant nose of ripe and well-concentrated Riesling berries. On the palate, this is a dense and juicy, vibrantly fresh and savory Auslese with grip and tension, but it is also still very young and nervous due to 8.5 grams of total acidity per liter. It has great potential and is very invigorating, but the 2022 deserves our patience. 7.5% stated alcohol. Natural cork. Tasted at the domaine in May 2023.

Riesling Auslese (Gold  
Capsule)

---

Picked with 30% strictly selected botrytis grapes in the middle of October, the 2022 Erdener Treppchen Riesling Auslese (Gold Capsule) is intense and elegant on the well concentrated and slightly flinty nose. There are also saffron aromas that I haven't picked up since the 2014 vintage in the Mosel. On the palate, this is a lush and savory, quite pure and fresh but textured Auslese with quite intense fruit and a saline, tight and grippy finish. Still very young but juicy and intense, this Auslese will benefit from further bottle aging. 7.5% stated alcohol. Natural cork. Tasted at the domaine in May 2023.

The 2022 Piesporter Goldtröpfchen Riesling Kabinett is one of the winners in this extremely dry and hot vintage due to the well-weathered slate soils and their excellent water-storage capacity. The wine is clear, precise and coolish on the fresh and herbal, wonderfully aromatic and immediately attractive nose. Round and lush as well as savory and saline on the palate, this is a terrific Goldtröpfchen Kabinett: lush, light or even weightless but highly aromatic and fresh. It's highly stimulating and crunchy in its slatey grip and wonderfully saline and clean on the finish. 7.5% stated alcohol. Screw-cap closure. Tasted in May 2023.

Riesling Spätlese

Picked at 90° Oechsle at the end of September and bottled with a stunning 9.7 grams per liter of acidity, the 2022 Piesporter Goldtröpfchen Riesling Spätlese is very clear, fresh and flinty on the bright and refreshing but also very delicate nose. The wine is dense, lush and elegant on the palate, still very young and savory, firmly structured and very mineral, especially on the tight and saline finish. Very promising. It's a classic that doesn't represent a dry vintage but the terroir of the Goldtröpfchen. It's still very, very young and probably better than it shows today. 7.5% stated alcohol. Screw-cap closure.
